The Studio is supplied clean at the start of the hire period. The Studio must be surrendered in the same condition that it was in at the start of the hire period. Any costs incurred by Ginger Studios arising

out of any breach of this Condition shall be paid by the Client.

Ginger Studios must be notified by the Client at the start of the hire period if any aspect of the condition or decoration of the Studio is unacceptable. If no such notification is given, the Studio will be determined to be of an acceptable standard for use by the Client.

Any materials used in connection with sets constructed by the Client, food required for your shoot, as well as any rubbish, shall be removed from the Studio at the end of the hire period.

No alterations, decorations or additions to the Studio are permitted without the consent of Ginger Studios.

Noise levels must be kept to a reasonable level during Studio hire bookings. Clients are asked to consider other occupants when using the Studio.
